www.frontierventures.org

Each week you will be working through a different lesson from the *Reader and Study Guide*. These unique study materials feature readings by over 50 authors who are some of the foremost thinkers in world missions today.

For each class you will have a different presenter who specializes in the given topic.

You will also find a variety of resources on the student access area of the *Perspectives* website.

WHAT STUDENTS ARE SAYING

"*Perspectives* opened the Bible in a whole new way to help me see the foundational thread of God's missionary plan from the beginning of Genesis to the end of Revelation."

"*Perspectives* explained missions from God's perspective. . . Next to the salvation message, the material taught in the *Perspectives* course is the most important information any Christian can learn."

"I learned more about the foundation and purpose of our mission in Jesus Christ from *Perspectives* than from many years serving as a missionary. I wish I had taken this class as a new Christian!"

OTHER ENDORSEMENTS

John Piper, Bethlehem Baptist Church, MN: "God intends to be known and enjoyed by every tribe, tongue and nation (Rev. 5:9). *Perspectives* has been essential in mobilizing hundreds of lay people in our church to be World Christians."

Scott Wesley Brown, Recording Artist, founder and president of *I CARE Ministries*: "For many Christians, Christianity is like a puzzle spilled out on the floor. *Perspectives* puts it all together by showing us the box top and helps us understand how missions is at the very heart of God. It not only changed my music and my ministry, but the very way I live."

Many Mission organizations endorse the course and require new recruits to take it.
