

## Prayer list specifically related to the COVID-19 situation

March 19, 2020

- For the healing of those who have already contracted the virus
- For the stop of the spread of the virus
- For everyone to use appropriate precautions to prevent the spread of the virus
- Success for those working on a vaccine
- We would not be inordinately fearful or anxious
- We would have peace as we trust in God
- The crisis would lead everyone to recognize that our control is just an illusion, and that God is the only one who is in control
- For courageous caregiving by those who have opportunity to care for those with the virus
- Protection for the medical caregivers
- Patience for those who have been quarantined
- For parents, especially fathers, to lead their families in God-glorifying worship services at home
- Divine guidance for leadership as they make decisions regarding social distancing
- For financial provision, especially for those families whose income and/or savings has been substantially affected
- Guidance for the Keystone Compassion Ministries team as they make decisions to help those affected
- For us to search and consider what God may be up to in the midst of this pandemic
- For the crisis to lead to worldwide revival
- For God to be glorified
